MALIZIA is an impeccable Perini, originally built for the Prince Rainer III of Monaco, who named her Malizia as a homage to the family tradition and kept it in Cap d'Ail for many years as his personal flagship.

Particularly luxury and comfortable, she has been renewed in 2022, curated by Michele Bonan and boasts now 3 large double bedded cabins/ensuite, one with one upper bunk.

Very elegant interiors, luxury tableware and details.

There is a wide and bright salon and formal dining area, downstairs, and a cosy pilot area on the main deck. The voluminous foredeck is open and uncluttered, a perfect sunbathing area. Tender has a special "teak pool", where can be easily stored.
